

Dearest friends,

We have received your donation contributions, fruit of your communion of goods for the various aid projects in Lebanon. We were deeply touched by your generosity.

Knowing how many needs there are in the world, we were not expecting any help, despite the fact that the economic situation in Lebanon continues to deteriorate catastrophically, pushing many families to despair.

You looked out for us with your closeness, as true brothers and sisters who do not forget us.  
THANK YOU THANK YOU!

Your help went immediately to support sick people in need of expensive medications and to help pay for the hospital expenses for a person in need of emergency surgery.  
On their behalf, we would like to thank you and ask that you convey our gratitude to each of those who helped support one of these brothers/sisters of ours.

Wishing you all the hundredfold and... beyond, we greet you as they say here:  
*'May God bless you and bless your families'.*

On behalf of everyone in Lebanon
